

## Pirate ship various dimensions

### Optional

- Climbing net
- Second slide
- Figure-head (for instance a mermaid)
- Water cannon
- Barrel with hand pump
- Control panel: handles/spouters
- Crawl-trough tube

Aqua Drolics designs and develops several pirate ships on your requirements. The ships are custom made. In agreement, various options available.

The pirate ship can be made in combination with the water play objects 'ships cannon' (Art. No. 9944), 'ships cannon, revolving' (Art. No. 9945) or 'ships cannon on rock, revolving' (Art. No. 9946).

This ship's dimensions are an example.

|                        |                     |
|------------------------|---------------------|
| Water connection       | Ø 75 mm (PVC DN 65) |
| Water consumption      | 8 m³/hr             |
| Water pressure         | 0,6 - 1 bar         |
| Max. waterdepth        | In consultation     |
| Standard colours       | In consultation     |
| Mounting               | In consultation     |
| Place of spout nozzles | In consultation     |
